Dear Mr. Huntington.

Many thanks for
your note & your care in ^{spring}
me a fair walk. I was in
fact meaning to climb your
hill again, as I have done
on the 18th. I congratulate
you on having about as
fine - as, which are very
hot on the asphalt, & wish
you a very happy night.

I too have had Rallin
on ~~my~~^{my} hands again, if not
on my Table. He is presumably
honest, but I am afraid
he is low. I am glad though
after for the pains and
exerted against the ~~other~~
party. I rec'd. a line a
couple of days since
from Smalley, from Hastings
saying he sailed on the
23rd (?) I expect to

Thank you very much
again about October

Yours very truly
